

40th Annual San Antonio API/SPE Golf Tournament Quarry Golf Club September 9-10-11, 2011

The San Antonio chapters of the American Petroleum Institute and the Society of Petroleum Engineers proudly invite you to join us for our 40th Annual Golf Tournament to be held at the Quarry Golf Club on September 9th, 10th, & 11th. This event goes to benefit our scholarship funds and we encourage you to consider participating as a Corporate Sponsor. The application lists all the various sponsorship opportunities. *Every sponsorship goes directly to our scholarship fund and is much appreciated!*

We will be playing a split format again this year with flights C-5 playing a two-man team "quota" scoring system with a 50% adjustment applied to the second round. Flights 6-11 will be playing a two-man scramble. Flighting will be determined by total team handicap. The team entry fee of \$600 will include two rounds of golf for two golfers and entry to the Friday night party, which will be held at the Quarry Golf Club.

The Tournament field will be limited to the first 144 teams who submit a **PAID** Tournament Application. **The tournament application deadline is July 31st or when the tournament fills up.** Preference will be given to the "mailed date" of the Platinum & Gold Sponsors, local members of the SPE and the San Antonio API, and out-of-town dues paying members. Each team must complete the Tournament Application and return it along with the correct fees by July 31st to be considered for registration in the Tournament. Confirmations of entry will be mailed by August 20th after which no refunds will be made. Applications are not transferable.

If you are not playing but would like to come to the party, you may do so for \$25.00 per person (see application).

There will also be a 4-man Scramble on Friday for an additional cost of \$100.00 per player. The Scramble field for PM play will be limited to the first 144 players, with priority given to the Tournament players. Both AM and PM playtimes are available; check your preferred playtime on the application. Scramble teams will be assigned if no preference is given.

Also, we have special rates available at the following hotels. The deals are limited so make your reservations early!
